

SENATOR WARNER: Madam President, members of the Legislature, this bill has six statutes, all of which are obsolete, and they range from dates that have passed, of August 1, 1988, to I believe it goes back to September of 1957. And then there are another area that dealt with, in Chapter 71, article 38, all of which have either been transferred or repealed. And the bill also would then correct internal references where that is appropriate for those repealed sections in Chapter 71, article 38. I move the bill be advanced, waive closing.

PRESIDENT MOUL: Thank you, Senator Warner. We will now proceed with a vote on the motion to advance LB 10 to E & R. All those in favor please vote aye, all those opposed please vote nay. Mr. Clerk, please record the vote.

CLERK: 28 ayes, 0 nays, Madam President, on the advancement of LB 10.

PRESIDENT MOUL: The motion is adopted and LB 10 is advanced to E & R. Mr. Clerk.

CLERK: Madam President, LB 11 introduced by the Chair of the Executive Board. (Read title.) The bill was introduced on January 10 of this year, referred directly to General File.

PRESIDENT MOUL: Senator Warner.

SENATOR WARNER: Madam President, members of the Legislature, LB 11, the bulk of it, deals with legislation that had operative, or termination dates of January in '73 through June of '86, all of which have, of course, expired so that there is no reason to retain those sections any longer. In addition there is some reference corrections of Chapter 66 which also no longer exists and the proper sections then would be referred rather than those that now are repealed and should no longer be used as a reference. So I'd move the bill be advanced and waive closing.

PRESIDENT MOUL: Thank you, Senator Warner. We will now proceed with the vote on the motion to advance LB 11 to E & R. All those in favor please vote aye, all those opposed please vote nay. Mr. Clerk, please record the vote.

CLERK: 27 ayes, 0 nays, Madam President, on the advancement of LB 11.
